

Connected Horse Facilitator Training

CONNECTED HORSE 2 DAY FACILITATOR TRAINING WORKSHOPS

SATURDAY OCT. 27TH 1:00 PM - 5:00 PM
SUNDAY OCT. 28TH 9:00 AM - 4:00 PM

Connected Horse Facilitator Training Workshops introduce participants to research based curriculum and facilitation practices focused on our powerful approach to equine guided activities for people living with early stage dementia and their care partners.

The training will be held at Xenophon Therapeutic Riding Ctr, Orinda, CA
Requirements:

- 5-7 hours of pre-reading and online review and full participation in both workshop days
- Commitment to 20 hours of practice work and case study review after the workshops and supporting Connected Horse Workshops in your area
