AND THEIR CARE PARTNERS
EQUINE ASSISTED RESEARCH WORKSHOPS

UC Davis Alzheimer's Research Center in collaboration with **Connected Horse** is offering **Equine Assisted Research Workshops** for people with early stage dementia and their care partners. We hope to gain a better understanding on how to support people affected by dementia.

- No prior experience with horses is necessary to participate. Participants will be engaging with horses from the ground, no riding.
- All participants must be ambulatory and willing to participate together.
- There is no fee to participate

If interested in participating,
