Workshops Introducing the Lessons from Horses!

2019 Summer Fall Workshops Now Open
Space is Limited, Sign up Now!

The Connected Horse Program, based on research conducted at UC Davis, is a shared experience introducing horses to people living with early stage dementia & their care partners.

Connected Horse is excited to expand its powerful **Workshops with Horses and Humans** to benefit people with early stage dementia and their care partners.

- Workshops are 2.5 hours, once a week for 3-5 weeks.
- No prior experience with horses is necessary to participate.
- Participants will be engaging with horses from the ground, no riding.
- All participants must be ambulatory and willing to participate together.
- There is no fee to participate, donations accepted.
